

GET SCREENED • STAY HEALTHY • FREE EVENT

Get Screened Health Fair

Cancer screenings should be a regular part of your life.

Screening tests are used before a person has any symptoms to help find cancer early, when it may be easier to treat.

Join Community Health Alliance and partners to receive information about regular cancer screenings and preventative care. Walk away with an appointment scheduled at Community Health Alliance to **Get Screened**.

Available Resources

- **Mammography screenings**
Book an appointment with the Mammovan between 9:40am-5:40pm by calling 877-581-6266 Option 1
- **Fresh produce from the Food Bank of Northern Nevada**
