

Position Title: Lung Cancer Screening Program Manager

Date: February 2025

FLSA Status: Exempt
Reports To: Executive Director

Position Summary:

The Lung Cancer Screening Program Manager will work directly with healthcare providers across the state to elevate Nevada’s lung screening system and capacity. This position works with: 1) lung screening sites to implement the Quality Implementation of Lung Screening (QUILS™) System within their organization/practice, and 2) primary care clinicians, primary care clinics, and community-based organizations to establish a social norm of lung cancer screening knowledge, engagement, referrals, and follow-up. Travel to local providers, rural areas and between Reno and Las Vegas to connect with providers across the state.

Qualifications:

- Graduate from a recognized university or college with a degree/diploma in health, public health, communications, marketing, education, or related professional experience
- Clinical and/or health system experience preferred
- Adept at developing collaborative professional and business relationships
- Outgoing, organized and energetic individual interested in working in a collaborative environment
- Able to travel extensively within Nevada, and on occasion outside of Nevada, and work flexible hours, including evenings and weekends as needed

Essential Functions:

QUILS Program Management

- Manage all aspects of the QUILS™ System implementation in Nevada
- Collaborate with QUILS™ System team
- Work directly with other team members on project including Executive Director, lead physicians/champions, and other stakeholders
- Participate in Lung Cancer Collaborative

Screening Site Management

- Receive extensive training in the QUILS™ System
- Recruit screening sites in collaboration with program champions
- Engage management and associated staff at each site location to implement QUILS System
- Work with site to collect data, deliver feedback, maintain access and support for the resource portal
- Facilitate any requested technical assistance or coaching
- Assist with closing out the project at each lung cancer screening site, maintaining rigorous data management standards and protections

Provider Engagement and Outreach

- Establish relationships with primary care clinicians, primary care clinics, and community-based organizations to establish a social norm of lung cancer screening knowledge, engagement, referrals, and follow-up
- Provide information and education on identifying and referring patients for lung cancer screening
- Provide resources and tools for both providers and their patients, and assist in implementing office strategies to facilitate lung screening
- Connect providers with screening sites

Knowledge and Skills:

- Strong people skills with a focus on collaborative work style
- Outstanding interpersonal skills including effective networking and listening skills
- Excellent analytical, organizational, administrative, and time management skills
- Excellent communication (verbal/written) and problem-solving skills
- Ability to work independently with limited supervision
- Ability to create and maintain good working relationships with a variety of internal and external constituents
- Ability to multi-task and set priorities to achieve goals
- Proficiency working with the Microsoft Office Suite
- Willingness to travel and work flexible hours, including evenings and weekends as needed
- Possess a vehicle and valid driver's license
- Ability to learn and effectively use online tools such as client management and communications applications

Competencies

To perform this job successfully, an individual must be able to perform each essential duty satisfactorily. The requirements listed are representative of the knowledge, skill and/or ability required. Maintain a high level of knowledge of the organization on a continual basis.

Authority and Accountability

Accountable to the Executive Director. Employee has the authority to carry out work performance objectives agreed upon with the Executive Director. Objectives are outlined annually and reported/reviewed at least quarterly.

meaning of words and respond effectively. The employee is required to have the ability to perform basic arithmetic accurately and quickly as defined in the qualifications.

This job description in no way states or implies that these are the only duties to be performed by the employee in this position. Employees will be required to follow any other job-related instructions and to perform any other job-related duties requested by any person authorized to give instructions or assignments.

To perform this job successfully, the incumbent will possess the skills, aptitudes and abilities to perform each duty proficiently.

It is the policy of the organization to comply with all the relevant and applicable provisions of the Federal Americans with Disabilities Act (ADA), as well as state and local laws concerning the employment of persons with disabilities. The organization will not discriminate against any qualified employee or job applicant because of a person’s physical or mental disability with respect to any terms, privileges, or conditions of employment, including but not limited to hiring, advancement, discharge, compensation, and training. Essential functions and requirements are subject to possible modification to reasonably accommodate individuals with disabilities. Where necessary and feasible, reasonable accommodations will be made for qualified disabled employees to perform the essential functions of the job in question, as long as the accommodation does not cause the organization undue hardship or violate any other policy. All employees are required to comply with safety standards. Applicants who pose a direct threat to the health or safety of other individuals in the workplace, which threat cannot be eliminated by reasonable accommodation, will not be hired.

The requirements listed in this document are the minimum levels of knowledge, skills or abilities.

This document does not create an employment contract, implied or otherwise, other than an “at will” relationship.
